

Special summer hit: PU- SUNLINE

Advantages

- UV resistant
- Dirt and water repellent
- Mold-resistant
- UV and sun protection
- Easy to clean / wipe clean
- Extreme & High Tear
- Scrub resistant
- Easy to work with
- Low breakage sensitivity
- Digitally printable

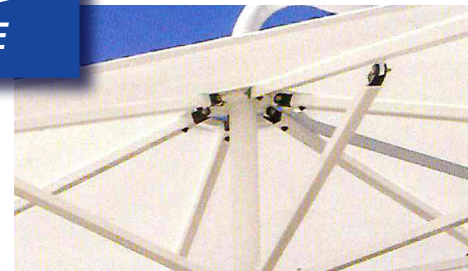

Application

- Sun protection (umbrellas, clothing, etc.)

Technical specifications

Coating	Coated on both sides PU	
Backing material	100% Polyester	
Color	White 09	
Weight	240 g / m ²	DIN EN 12127
Fabric width	170 cm	
Density	0,39 mm (+/- 0,01)	ISO 5084
Standard roll length	50 lfm	ISO 5084
Printability	Digital	
Hydrolysis resistanc	ok	DIN EN 12280 part 3
Water column	≥2000 mm	DIN EN 20811
Light fastness	≥7	DIN EN ISO 105-B02
UV protection	50 +	DIN EN 13758-1
Tear strength	≥ 4 color dependent	EN ISO 105 - X12
Tear growth strength	≥250 N / ≥130 N	EN ISO 13937/1
Rub resistance	>120 000	EN ISO 12947-2
Kinking	> 50 000	DIN 53359A
Temperature	-20 °C / +70 °C	
Mold resistance	Grade 0, awarded	EN ISO 846-A

**DIGITAL
PRINTABLE**

Product width: 170 cm
Weight: 240 gr / m²
